

How to Get to DEA

A Quick Guide

Welcome

to the Department of Evolutionary Anthropology

How to Find Us

We are located in Building Y-42, on Floor K. The building can be recognized by its green accent walls on this floor. There are multiple ways to reach us via stairs and elevators within the Irchel campus, but the easiest route is outlined in the visual guide below.

Directions:

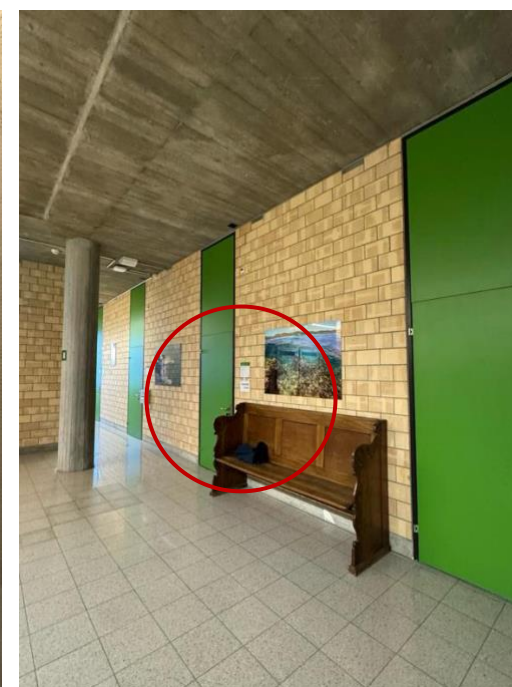

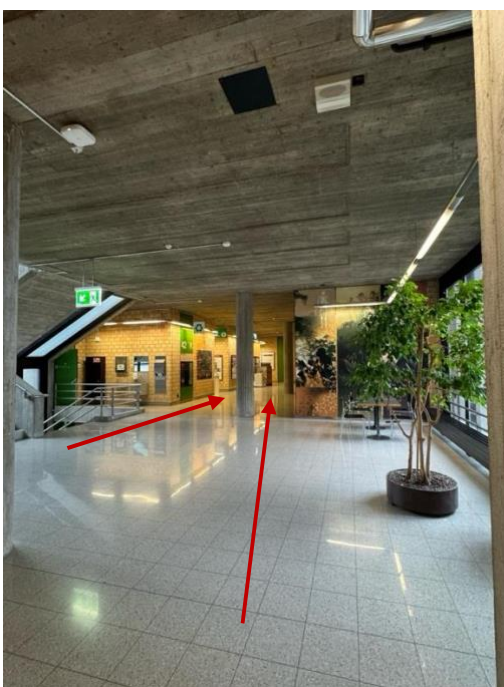

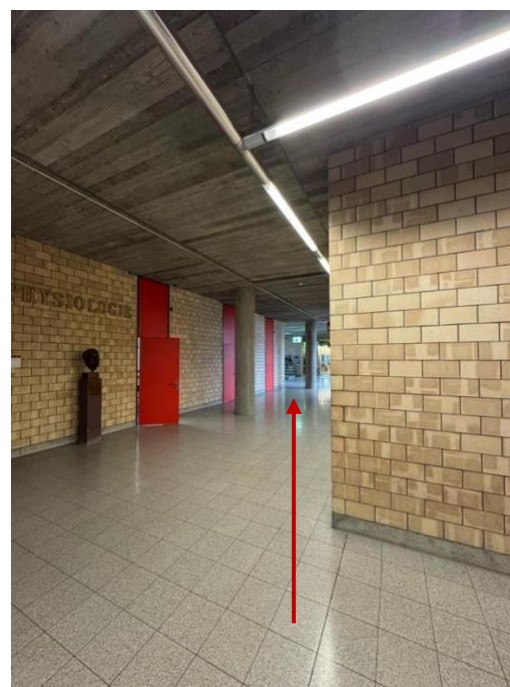

From Building Y-21, walk past the Info desk straight to the end of the corridor and take a sharp right turn, Here, you will find the stairwell and elevators.

We are located on Floor K. Upon reaching the floor, look for the green wall accents—that's where we are. The Front Office is situated next to the wooden bench.
